What "Youth Crait" Means

There is a new line of toilet goods-preservatives and beautiffers-made for miliady with an eye single to serving her wants in a manner not bereto fore thought possible. IN FACT THE TRADE MARK "YOUTH CRAFT" MEANS PRESERVA TION, that, and nothing else. So, if your hair and scale ar ailing there's YOUTH CRAFT for the hair and scale (\$1.00); if your age is "showing," there's Youth Craft for the complexion which smooths out surface wrinkles and does away with triack-freads, etc. (\$1,00): and if your teeth are not so white as they once were, there is Youth Craft Tooth Paste (35c). which will preserve and beas tifully whiten the most unat tractive of teeth.
